THE PORTLAND ROSE CUP RACES

2017 Brings More Cars and More Drivers

This Summer's Biggest Value for Family Entertainment!

The Friends of PIR is proud to present the 57th running of the Rose Cup Races presented by George Morlan Plumbing with some new twists, and on a new weekend - July 7-9, 2017

MORE RACING THAN YOU CAN HANDLE

This will be the premier amateur road racing event in the Pacific Northwest, with a broader racer base with members from the Oregon Region Sports Car Club of America (SCCA) and the Cascade Sports Car Club competing.

The Rose Cup Feature Race will include three car classifications, with a podium award celebration for all three classes. With bigger car field counts to include Spec Racer Fords, Spec Matias, Big Bore and Vintage car classes.

FEATURES FOR EVERYONE

The Great American Stockcar Series (GASS) will return in 2017, providing high speed door-to-door racing in identically prepared cars. These NASCAR-like V8, ground-pounders built here in Portland will bring the excitement of stockcar racing to the weekend.
